**OLD-AGE BENEFIT**

**GRANT-IN-AID TO HOMES FOR AGED AND INFIRM: -**

Several Voluntary organisations have taken up themselves the responsibility of providing shelter, treatment care, etc., to the old persons aged 55 years and above and infirm below 55 who have no means of subsistence and who are without any relatives to look after them. There are no Government Institutions for this purpose. However Government gives grants to the voluntary organisations as per prescribed rates. Capitation Grants are paid at the rate of Rs. 900 per persons for 12 months while building grants at the rate of Rs. 750 per inmate. In the Maharashtra State 39 old age homes are run by voluntary agencies.
